

# Set the Controls for the Heart of the Sun

Pink Floyd

1. Little by little the night turns around,  
Counting the leaves which tremble at dawn  
Lotus's lean on each other in yearning,  
Over the hills a swallow is resting
  
2. Set the controls for the heart of the sun  
  
Over the mountains watching the watcher,  
Breaking the darkness waking the grapevine  
Knowledge of love is knowledge of shadow,  
Love is the shadow that ripens the wine
  
3. Set the controls for the heart of the sun,  
The heart of the sun, the heart of the sun...  
Witness the man who waves at the wall,  
Making the shape of his questions to heaven  
Whether the sun will fall in the evening,  
Will he remember the lesson of giving?
  
- \*: Set the controls for the heart of the sun,  
The heart of the sun, the heart of the sun...
