

Get Happy/Happy Days

Pink Martini

Forget your troubles
Come on get happy
You're gonna chase all your cares away

Shout hallelulah
Come on get happy
Get ready for the judgment day

The sun is shining
Come on get happy
The lord is waiting to take your hand
Shout hallelulah
And just get happy
We're going to the promised land

We're heading across the river
Soon your cares will all be gone

Forget your troubles
Come on get happy
You better chase all those blues away

Shout hallelulah
And just get happy

Happy times
Happy nights
Happy days
Are
Here
Again

Happy days
Are here again
The skies above are clear again

So let's sing a song
Of cheer again
Happy days are here again

All together
Shout it now
There's no one who can doubt it now
So let's tell the world
About it now
Happy days are here again

There will be no more from now on

Happy days
Are here again
The skies above are clear again

So let's sing a song
Of cheer again
Happy days are here again

Happy times
Happy nights
Happy days
Are
Here
Again
