

Ave Mary A

Pink

1. Motorcycles in the parking lot
Revving their engines and it just won't stop
Matches and noise screaming in my head
Houston I think we got a problem

2. Where does everybody go when they go?
They go so fast, I don't think they know
We hate so fast and we love too slow
London I think we got a problem

*: And when I think about it
I just can't think about it
I try to drink about it
I keep spinning

R: Ave Mary A
Where did you go? Where did you go?
How did you know to get out of a world gone mad?
Help me let go
Of the chaos around me, the devil that hounds me
I need you to tell me
Child, be still
Child, be still

3. Broken hearts all around the spot
I can't help thinkin that we lost the plot
Suicide bomber and a student shot
Tokyo I think we got a problem

4. But for that they got a pill
If that don't kill you, then the side effects will
If we don't kill each other, then the side effects will
Cape Town I think we got a problem

R: Ave Mary A...

*: If the darkest hour comes before the light...
Where is the light? (2x)
If the darkest hour comes before the light...
Where is the light? (3x)
Yeah!
