

Dear Diary

Pink

R: Dear, dear diary, I wanna tell my secrets
You're the only one that I know who'll keep them
Dear, dear diary, I wanna tell my secrets
I know you'll keep them, so this is what I've done.

1. I've been a bad, bad girl for so long,
Don't know how to change, what went wrong,
Daddy's little girl, but he went away,
What did it teach me? That love leaves yeah yeah.

R: Dear, dear diary...

2. I've been down every road you could go,
I've made some bad choices as you know,
Seems I've got this whole world cradled in my hand,
It's just like me not to understand

R: Dear, dear diary... (2x)
