1. Right from the start

You were a thief you stole my heart
And I your willing victim
I let you see the parts of me that weren't all that pretty
And with every touch you fixed them
Now you've been talking in your sleep, oh oh
Things you never say to me, oh oh
Tell me that you've had enough, of our love, our love

R: Just give me a reason just a little bit's enough

Just a second we're not bro--ken just bent
And we can learn to love again
It's in the stars, It's been written in the scars on our hearts
We're not bro--ken just bent
And we can learn to love again

2. Im sorry I don't understand where all of this is coming from

I thought that we were fine (Oh we had everything)
Your head is running wild again, my dear we still have everything
And its all in your mind (Yeah but this is happening)
You've been having real bad dreams Oh oh
You used to lie so close to me Oh oh
There's nothing more than empty sheets
Between our love, our love, oh our love, our love

R: Just give me a reason...

*: Oh tear ducts and rust

I'll fix it for us
We're collecting dust but our love's enough
You're holding it in, You're pouring a drink
No nothing is as bad as it seems... We'll come clean

R: Just give me a reason... (2x)

Ooohhh, we can learn to love again
Oooooohh, we can learn to love again... Ooh!
That we're not bro--ken just bent and we can learn
to love again.
