

The One That Got Away

Pink

Mmmmm mm yeah, oh oh
I stood by the exit door of the hotel cafe
He was playing with his band
I've always been a sucker had a weakness for a boy
with a guitar and a drink in his hand
His words were like heaven in my hurricane
My knees buckled under
I thought everyone was watching me
Watching you save my life with the song

You were mine
In the back of my mind
Oh just for one night
Just for a while

There's always one that gets away
The one that sneaks up on you that slips away

Two weeks later I was sitting in his apartment
He was making cappuchino
I said what kind of man makes cappuchino
We laughed (3x)
We laughed til tears ran down my face

Oh but my man you're someone elses man
And that aint the man that I want
But you keep drawing me in with those big brown lion eyes

You'll always be mine
In the back of my mind
Oh we had a night
Just a little wine

There's always one that gets away
The one that sneaks up on you that slips away

In a closed off corner of my heart yes
I'll always see your face
The one that got away
One that got away
The one that got away (2x)
Oh the one that got away
The one that got away
Oh the one that got away
The one that got away
Oh the one that got away
Yeah yeah, oh oh oh oh
Yeah yeah, oh

I'm not a victim of cliches
I don't believe in soul mates
Happy endings only one
Oh and I met you and all that changed
I had a taste and you're still sitting
on the tip of my tongue

You were mine

Somewhere in time
I'll look for you first
In my next life

There's always one that gets away
The one that sneaks up on you that slips away
Slips away
In a closed off corner of my heart yeah yeah yeah yeah
I I'll always see your face
The one that got away (4x)
Oh the one that got away
The one that got away
Oh the one that got away
The one that got away (2x)
Yeah yeah, oh oh yeah
The one that got away
