

1. Ever wonder 'bout what he's doin'
How it all turned to lies
Sometimes I think that it's better
To never ask why

R: Where there is desire, There is gonna be a flame
Where there is a flame, Someone's bound to get burned
But just because it burns, Doesn't mean you're gonna die

You gotta get up and try, try try
You gotta get up and try, try try
You gotta get up and try, try try

2. Funny how the heart can be deceiving
More than just a couple times
Why do we fall in love so easy?
Even when it's not right

R: Where there is desire...

3. Ever worry that it might be ruined,
Does it make you wanna cry
When you're out there doin' what you're doin'
Are you just getting by?
Tell me are you just getting by by by

R: Where there is desire...
+ You gotta get up and try, try try
You gotta get up and try, try try
