

Ashamed of My Cum

Pissed Jeans

I'm always so full of cum
Never run out not even once
And I say "Hey man, don't touch that stuff"
"You know it's ust not right!"
I'm always so full of cum and it makes my brain get really numb
And I - I gotta gotta gotta gotta get something all done

Yeah - I'm ashamed of my cum
Never satisfied, even after I'm done
I'm ashamed
And it makes me feel it everywhere

"Hey man, I don't think about that stuff"
You know I beat it beat it beat it and beat it 'til you know th
at I'm done
I'm always so full of cum and it makes my brain get really dull
You know when I think about you, it's just not right

Yeah - I'm ashamed of my cum
Never satisfied, even after I'm done
Yeah - I'm ashamed of my cum
Never run out even after I'm done
Woo, I'm ashamed of my cum
Never satisfied, even after I'm done
I'm ashamed
We're all ashamed of our cum
Never satisfied even after we're done
We're all ashamed of our cum
Never satisfied even after we're done
