

## Bathroom Laughter

### Pissed Jeans

Bathroom laughter leads to kitchen crying  
don't make me say i told you so  
bathroom laughter leads to kitchen crying  
trust me now, soon you'll know  
you're in the kitchen crying  
you're in the kitchen crying  
i heard you in the kitchen crying  
you're in the kitchen crying  
you're in the kitchen crying  
i can tell by your eyes, you were crying

Aaaaaaaaaaahhhhhh

Dancefloor touching leads to hallway screaming  
it happened just an hour ago  
dancefloor touching leads to hallway screaming  
if those were your friends, where'd they go  
you're in the hallway screaming  
yeah you're in the hallway screaming  
you're causing a scene with your yelling  
you're in the hallway screaming  
yeah you're in the hallway screaming  
people trying to get by, but you're screaming

Aaaaaaaaaaahhhhhh

I'm sorry but you're not special  
there's a pattern and it shows  
you try walking on the ceiling  
and you're gonna stub your toes
