

Dream Smotherer

Pissed Jeans

I don't mind stacking up papers in a pile
And I don't care if it takes half an hour to get there
Yeah it's alright, I lose my days and keep my nights
Just let me go and stay away from my home
No I don't mind wearing a plastic smile
And I don't care if I gotta button my shirt there
So it's alright, no it ain't my kinda fight
Just let me go, in my head I run the show
One thing I know
Don't want a dream smotherer
So leave me be, turn out the lights, it'll be real nice
I will help you make ends meet
If you let me get some sleep
