

Life's What You Make It

Placebo

Baby, life's what you make it
Can't escape it
Baby, yesterday's favourite
Don't you hate it

(Everyone's all right)
Life's what you make it
(Everything's all right)

Baby, life's what you make it
Don't back date it
Baby, don't try to shade it
Beauty's naked

(Everyone's all right)
Life's what you make it
(Everything's all right)
Life's what you make it

Baby, life's what you make it
Celebrate it
Anticipate it
Yesterday's faded
Nothing can change it
Life's what you make it

(Everyone's all right)
Life's what you make it
(Everything's all right)
Life's what you make it
(Everyone's all right)
Life's what you make it
(Everything's all right)
Life's what you make it
(Everyone's all right)
Life's what you make it
(Everything's all right)
Life's what you make it
