

## Baby Come Back

Player

Spending all my nights  
All my money going out on the town  
Doing anything just to get you off of my mind  
But when the morning comes  
I'm right back where I started again  
Trying to forget you is just a waste of time

Baby come back, any kind of fool could see  
There was something in everything about you  
Baby come back, you can blame it all on me  
I was wrong, and I just can't live without you

All day long, wearing a mask of false bravado  
Trying to keep up the smile that hides a tear  
But as the sun goes down  
I get that empty feeling again  
How I wish to God that you were here  
Baby come back, any kind of fool could see  
There was something in everything about you  
Baby come back, you can blame it all on me  
I was wrong, and I just can't live without you

Now that I put it all together  
Give me the chance to make you see  
Have you used up all the love in your heart  
Nothing left for me  
Ain't there nothing left for me

Baby come back, any kind of fool could see  
There was something in everything about you  
Baby come back, listen baby, you can blame it all on me  
I was wrong, and I just can't live without you

I was wrong, and I just can't live
