

Dream In The Air

Pleasure P

Somebody told me what I could not be
They said the stars are to far and the sky would stop me
They said I'm dreamin and just tryna wake me
But my will is to strong they just tryna break me

I say yes I can, yes I will
What I imagine, I make it real
Yes I can do it, yes I will be
And every day is getting closer to me

I see a dream in the air, and I believe
I can ride the clouds, it's not outta reach
I see a dream in the air and I believe
That I can win, it's when the sky came down to me
Dream in the air

Don't need a spotlight, I don't care who's watching (NO)
This is personal, I'm a climb the mountain
Used to seem so high, seems so impossible
But faith can cross the deepest sea
Now I'm here cause I believe

Say, yes I can, yes I will
What I imagine, I'll make it real
Yes I can do it, yes I will be
And every day is getting closer to me

I see a dream in the air, and I believe
I can ride the clouds, it's not outta reach
I see a dream in the air and I believe
That I can win, it's when the sky came down to me
Dream in the air

This is why I live and everything I give
Is because I know it's possible
Never let em kill my dreams
I know they hope that I would give up
I never had a doubt about it
I reached in the sky and got it.

I see a dream in the air, and I believe
I can ride the clouds (can't nobody stop me), it's not outta reach (I
'm invisible)
I see a dream in the air (cause I believe) and I believe
That I can win, it's when the sky came down to me
