

# Break Of Hearts

Poco

Break of hearts  
Drifting to far apart  
To be heard  
Empty words  
Making up too late from a losing start

Break of hearts  
Waiting on a losing game  
Fleeting thing  
Beautiful thing  
There's nothing here worth saving  
Too many pieces now all breaking

We were two crazy fools  
Running out of things to do  
Betting on distant dreams  
Getting only empty things

Giving up  
We were both beyond trying  
I've had enough  
There's something here that's dying

Break of hearts  
Drifting too long too far apart  
To be heard  
Empty words  
There's nothing here worth saving  
Too many pieces now all breaking
