

Naughty Naughty

Porcelain Black

Naughty, naughty, naughty
We like to party
I know you hate it 'cause
I flirt with everybody

Naughty, naughty, naughty
We just wanna party

Naughty, naughty, naughty
We like to party
I know you hate it 'cause
I flirt with everybody

Naughty, naughty, naughty
We just wanna party
It's all about fun and games
Until I hurt somebody

Definitely not an angel
But I'm not that evil, you know
I'm just so addicted
To beautiful people, uh oh

I'm getting sucked into the night
I'm out ahead and losing control
Oh no

Get me wrong and get me right
And know that I can never say no
Oh no

Naughty, naughty, naughty
We like to party
I know you hate it 'cause
I flirt with everybody

Naughty, naughty, naughty
We just wanna party
It's all about fun and games
Until I hurt somebody

Uh oh uh oh uh oh
So whatcha gonna do about it
Uh oh uh oh uh oh
So whatcha gonna do about it

Definitely kissing a stranger
Then leave his ass later, you know
Can't help that I'm attracted to danger
You can't be my savior, uh oh

I'm getting sucked into the night
I'm out ahead and losing control
Oh no

Get me wrong and get me right
And know that I can never say no

Oh no

Naughty, naughty, naughty
We like to party
I know you hate it 'cause
I flirt with everybody

Naughty, naughty, naughty
We just wanna party
It's all about fun and games
Until I hurt somebody

Uh oh uh oh uh oh
So whatcha gonna do about it
Uh oh uh oh uh oh
So whatcha gonna do about it

I know I said that we'd stay home
Kiss and watch a boring show
Oh hell no I gotta go

Naughty, naughty, naughty
We like to party
I know you hate it 'cause
I flirt with everybody

Naughty, naughty, naughty
We just wanna party
It's all about fun and games
Until I hurt somebody

Uh oh uh oh uh oh
So whatcha gonna do about it
Uh oh uh oh uh oh
So whatcha gonna do about it

Uh oh uh oh uh oh
So whatcha gonna do about it
Uh oh uh oh uh oh
So whatcha gonna do about it
