

## (Baby I've Got You) On My Mind

Powderfinger

Baby I've got you on my mind, honey you won't ever know  
How much I need you by my side, promise you won't ever go  
I won't take no from you this time  
Baby I've got you on my mind

'Cause honey I've got to show (I won't wait for another day)  
Just what I can do (My heart died when you loosed the chains)  
Because I think I know (I won't wait for another day)  
What you are going through (My heart died when you loosed the c  
hains)  
I hope you feel it the way I feel it, I hope you feel it the wa  
y I feel  
it too.

So if I had this all my way, honey you won't ever know  
I'd be there through every night and day, promise you won't eve  
r go  
I won't hold back from you this time  
Baby I've got you on my mind

'Cause honey I've got to show (I won't wait for another day)  
Just what I can do ( My heart died when you loosed the chains )  
Because I think I know ( I won't wait for another day )  
What you are going through ( My heart died when you loosed the  
chains )

Hope you're feeling the way I'm feeling  
Hope you're feeling the way I'm feeling too

'Cause baby I got you on my mind  
I won't take no from you this time  
How much I need you by my side  
Baby I got you on my mind

I said I won't wait for another day  
My heart died when you loosed the chains  
I won't wait for another day  
My heart died when you loosed the chains

I said I got you I got you on my mind  
i said I got you I got you on my mind  
I said I got you I got you on my mind  
I said I got you I got you on my mind

'Cause honey I've got to show
