## I Don't Remember

Powderfinger

Tonight my heart well it broke like glass I made a mistake that i'll never surpass I'm floating in space unattached to the world I cast off the memory of the spell of that girl Whatever I get I guess its what I deserve

I don't remember Just what made it so hard before I know you needed someone to take the fall I know you needed someone to blame it on

I smashed the mirror just to look whats behind Picked through the pieces just to see what i'd find I found my heart and it broke like glass I made that mistake that i'll never surpass I let go of my grip on the past

I don't remember Just what made it so hard before I know you needed someone to take the fall I know you needed someone to blame it on

Hey, hey don't you look away Hey, hey I've got something to say
