Don't Lose Faith In Me

The Pretenders

Don't lose faith in me Don't lose faith in me If you lose faith in me You lose faith in us

Don't lose harmony Don't lose harmony If you lose harmony You won't need me

Look at me
Can you see how I'm trying
Only you can see me crying
Look at me
These tears ain't lying

One pays the butcher
One pays the thief
I'm looking for you darling
Show me some relief
Artist on the cover
Is a phony and a crook
I'm looking for you lover
Show me where to look

Don't lose faith in me Please don't lose faith in me If you lose faith You lose faith in us
