## The Pretenders

I play a good game but not as good as you  
I can be a little cold but you can be so cruel  
I'm not made of brick, I'm not made of stone  
But I had you fooled enough to take me on  
If love was a war, it's you who has won  
While I was confessing it, you held your tongue  
Now the damage is done

Well there's blood in these veins  
And I cry when in pain  
I'm only human on the inside  
And if looks could deceive  
Make it hard to believe  
I'm only human on the inside

I thought you'd come through, I thought you'd come clean  
You were the best thing I should never have seen  
But you go to extremes, you push me too far  
Then you keep going till you break my heart  
Yeah, you break my heart

See, I bleed and I bruise  
Oh, but what's it to you  
I'm only human on the inside  
And if looks could deceive  
Make it hard to believe  
I'm only human on the inside

I crash and I burn  
Maybe some day you'll learn  
I'm only human on the inside  
I stumble and fall  
Baby, under it all  
I'm only human on the inside

And the damage is done

Well there's blood in these veins  
And I cry when in pain  
I'm only human on the inside  
And if looks could deceive  
Make it hard to believe  
I'm only human on the inside

I crash and I burn  
Maybe some day you'll learn  
I stumble and fall  
Baby, I do it all  
I'm only human on the inside
