

One More Time

The Pretenders

You believed in me
When you had nothing to gain
You stood by me
You walked out in the falling rain
To find me
Waiting in the shadows behind me

Baby, please
Please, won't you do it one more time
Do it one more time
Do it one more time
Please, won't you do it one more time

You stayed when no one else would
When I was delayed, you understood
I've done some lowdown things, all right
But you said I was good
I couldn't forgive myself
But you could

Won't you please
Won't you please, won't you do it one more time
Do it one more time
Do it one more time
Please, won't you do it one more time

I know I've made you promises
And then I forget
I've let you down, and darling
I'm forever in your debt
In my darkest hour I've turned you out
When the mood has passed
You came back in spite of me
Saying this love, this love was meant to last

Oh baby, won't you please
Won't you do it one more time
Do it one more time with feeling
Won't you do it one more time
One more time with feeling
Please, won't you do it one more time
With feeling
