Dose

Primer 55

Psychedelic suicide trip it and you'll never die You see sometimes I can not believe the things that acid does t o me Chemicals inside my brain, laughter easing all my pain Once thing I cannot believe the things that this world does to me Does to me Somebody help me I'm fallin' apart at the seams Only salvation is a drug called L.S.D. Psychedelic suicide I hate that's dwelling deep inside Look inside and you will see there's no such thing as make beli eve Chemicals inside my brain assuring me that I'm insane One thing I cannot believe the things that this world does to m ρ Does to me Somebody help me, I'm fallin' apart at the seams Only salvation is a drug called L.S.D. I can do anything When I dose, I can do anything When I dose, I can do anything When I dose, I can do nothing I can do anything When I dose, I can do anything When I dose, I can do anything When I dose, I can do nothing Somebody help me, I'm fallin' apart at the seams, at the seams Somebody help me, I'm fallin' apart at the seams Only salvation is a drug called L.S.D. Underneath the skin, lies your misery Somebody help me, I'm fallin' apart at the seams At the seams At the seams At the seams At the seams
