

Animal Kingdom

Prince

I saw a friend of mine 2day
In an ad sayin' what would do my body good
I told him he was wasting time I say
If God wanted milk in me
The breast I suck would have a line around the hood

No member of the animal kingdom nurses past maturity
No member of the animal kingdom ever did a thing 2 me
It's why I don't eat red meat or white fish
Don't give me no blue cheese
We're all members of the animal kingdom
Leave your brothers and sisters in the sea

Animal, animal kingdom (2x)

Who told us we should eat the swine?
U can bet your final money it damn sure wasn't no friend of mine
What about the clams on the shore?
Souls in progress, here come the fisherman - soul no more

No member of the animal kingdom nurses past maturity
(Nurses past, oh yeah)
No member of the animal kingdom ever did a thing 2 me
(Ever did a damn thing)
So I don't eat no red meat or white fish
Or funky, funky blue cheese
We're all members of the animal kingdom
Leave your brothers and sisters in the sea

Animal, animal kingdom (3x)
