

Kool Keith's Ass

Princess Superstar

I've been thinking about Kool Keith's ass for a long time now
Thinkin about how I gotta get out find out where he hangs out w
ith his pants down
I know he likes porno stacks and cable, mentally unstable
But that's ok I'll cook dinner then make him dance naked while
I medicate
him and clean off the kitchen table
He lives in LA I hate it there but I got big blonde hair so I'l
l fit in,
visit my Grandma, play her my new CD
And then from there go to Burbank, sit in the studio audience o
f Jeopardy,
make Keith take me to
Universal Studios, Disneyland, Viper Room, then he'll get in be
d with me
I mean, the guy needs a little therapy.
"It depends how much you're willing to destroy my career"
Ha! That's what he says to me? How ya gonna say that Mr. Dr. Do
om insane
rat sandwich Dr. Octagynocologist Obscenity
Now he's on Columbia Records I hope it doesn't wreck him, maybe
it's better
for where he's headed
There'll be more ladies, Keith's ass, I gotta defend it!
Martial Arts Star Wars bar hoars I keep shot callers
I sleep with all Kool Keith lyric sheets in my teddy bear in my
bare arms
I just wanna cuddle up against the bare moon, I wanna spoon
He could sing me "Blue Flowers" in my ear, but maybe this time,
it'd be in tune
Look Keith, if you're listening send me an aol email, I'm a hot
female, I
keep it real, representin what?
Your butt.
