

# Welcome To My World

Princess Superstar

I'm the chick who drops sick flows fill bowls with ill flows ill ho hell knows  
pantyhose holes full of No Doz  
Make your earholes shit pop six Pep Bysmol sick abysmal bitch suckin dildos  
instead of dicks  
for kicks  
No time for fake bitches, just sip some orange juice with my real bitches  
And I just got three wishes I ain't askin for world peace  
I want Range Rovers in three different colors Genie gimme the damn keys!  
Dead wrong like a Dead sticker on a bong bombs runnin arms and rayguns with  
Ron Reagan to  
Vietnam and Iran  
I'm blonde and dumb, I just taped over your demo with my song, gagged Cisco  
with his thong  
I ain't kiddin I'm filled with lil pills of Ritalin riddle middle men to rob  
Bailey and Biddle  
again tell a friend  
I use men like Mennen in my armpit I'm bad I can't stop it  
Evil twin count as two in your caucus tell Murdoch lemme in his office  
I'm a steal the carpet then Fox and then Rawkus, voted for Dukakis, and I like  
Secaucus  
Cuz they got the word cock in it  
Welcome to my world, such a nice nice girl, welcome to my world  
Of course I'm getting lost ran into Kate Moss  
Fed her a nine course full of chopped horse and forced her to toss  
10 times divorced I speak in Morse-  
dot dot dash dot dash (HuH?) I just told you had an ugly ass!  
Type rash unabashed crass with a brain rash strapped for cash take me to your  
trailer I'll  
steal your trash  
Ask me a question, I love to lie, hey look girl is that Jimi Hendrix? 'Scuse  
me while I kiss  
your guy  
Everyone tells me I'm the female Eminem-  
well all I'm gonna talk about is getting fucked up the  
ass then  
Don't be mad Em I'm just playin, I wish I had a Dr. Dre and sold out shows one  
million white  
faces in Dayton  
Ritzes stead of Days Inn bitches for maids then  
2 scoops of raisins amazin lays by names like Casey Kasem  
Lazin by the pool with record industry fools Crystal in my drool, man that'd  
be cool  
I'm like Whoa  
Let me answer the question of the day-  
I was born in Spanish Harlem then moved to PA  
On 172 and St. Nich. Food stamps and WIC 'til my folks worked themselves rich  
(this track's  
making me sick)  
If you want to compare me like white Lil' Kim female Kool Keith  
I'm speak and keep it simple, here's your brain on Princess Superstar pretty  
mental:  
Ok-- I'm the Black Shirley Temple  
Iced out like Entenmanns iced pens and diamond engines and denims  
Got 10 Yemins countin Benjamins with Lettermans  
Killin Pac mens like Inky and Binky  
When ya stick your finger in me it'll be sticky come out with a diamond ring

on your pinky  
Work six different angles, nicer tits than all the Bangles  
Got Kangols singin Star Spangles - Oh Say Can You See  
I'm better lookin than the flag you can sing that shit to me (I'm gonna get  
in big trouble  
Louise!)

I'm taking a stance spend my big advance on a 500 man lap dance  
Put ants in Bagger Vance's baggy pants sir come dance it's just my circumsta  
nce  
I wanna watch him do the Safety Dance, I'd do it myself but I can't  
Or I'll just give my dough to my new label for nice dinners and liquor  
I'm playin but, um next year that advance needs to be bigger
