

In A Closet In The Middle Of The Night

Priscilla Ahn

I had a dream last night about the rain
You asked "are you scared of anything?"
I cried, I cried, I cried
In a closet in the middle of the night.

You had apprehension and I had shame
We were just as lost as lost is a way
One more, one more, one more
Girl is crying
In a closet on the floor

Ooh

I cried, I cried, I cried
I cried, I cried, I cried
I cried, I cried, I cried
