

All To Myself

Professor Green

When I was young, I never needed anyone
And making love was just for fun
Those days are gone

Living alone, I think of all the friends I've known
But when I dial the telephone
Nobody's home

All by myself, I don't want to be
All by myself... anymore
All by myself, I don't want to live
All by myself... anymore

Hard to be sure
Sometimes I feel so insecure
And love's so distant and obscure
Remains the cure

All by myself, I don't want to be
All by myself... anymore
All by myself, I don't want to live
All by myself anymore

All by myself, I don't want to be
All by myself... anymore
All by myself, I don't want to live
All by myself... Anymore...
