Pull Me Closer, Violent Dancer

Project 86

I've got a monster to tame It looks alot like your face I said to let go of all your inhibitions with me We'll make all our worries disappear with our feet Don't worry Don't worry Come with me Come with me And move now Slowly Slowly Sweat it out Sweat it out Don't stop pulling me closer I love it when you let me fall to your hands My favorite thing is when you don't stop dancing I've got a monster to please It says to dance with me Pppplease violent dancer drag yourself to the floor And don't stop swinging till we break down the doors And swing now Swing now Twist around Twist around And move now Further Further Sweat it out Sweat it out
