It's a reason why I got control
It's the treason, better off alone
Got an answer; individual creed
Got advantage, don't really need 'em

Shouldn't have bothered Reaching out to fools Shouldn't have bothered

They're the patients, condition's worse Got the patience, it's in the works Their impressions are such a waste My investment is my own fate

Shouldn't have bothered Reaching out to fools Shouldn't have bothered

Soon I'll give up

Shouldn't have bothered With someone like you, no

Bothered, bothered Shouldn't have bothered
