

# The Book of Change

## Prong

You can keep on profiting  
But from other entities  
When you step back and see  
You can keep on questioning

In a state of calm  
Contemplate the source  
It's very wise to pause  
A deviation from the norm

Attack on reason  
Distract your thoughts  
A total lack of reason  
Abandoning it all

In a state of receptivity  
With all the potentialities  
When you get back to need  
Go ahead submit your inquiry

In a state of calm  
Contemplate the source  
It's very wise to pause  
A deviation from the norm

Attack on reason  
Distract your thoughts  
A total lack of reason  
Abandoning it all

Rejecting influential praise  
Embracing existential fate  
You will begin to perceive  
What is possible for you to achieve
