Well he was Thailand based She was an air force wife He used to fly weekends It was the easy life But then it turned around And he began to change She didn't wonder then She didn't think it strange But then he got a call He had to leave that night He couldn't say too much But it would be alright He didn't need to pack They'd meet the next night He had a job to do Flying to Cambodia

And as the nights passed by She tried to trace the past The way he used to look The way he used to laugh I quess she'll never know What got inside his soul She couldn't make it out Just couldn't take it all He had the saddest eyes The girl had ever seen He used to cry some nights As though he lived a dream Ans as she held him close He used to search her face As though she knew the truth Lost inside Cambodia

But then a call came through
They said he'd soon be home
She had to pack a case
And they would make a rendezvous
But now a year has passed
And not a single word
And all the love she knew
Has disappeared out in the haze
Cambodia
