Pimpin' like I'm campin'
Bonin' fifty with a forty
What's your twenty, honey, papa's all alone
Empty hizzy, left me dizzy
I'm a pirate lost his booty
I'm a pimp without a dog without a bone
Where all my honey gone?
Pooh-bear be cryin'
Some Oreo cracker song
Wigger be tryin' to get his queen to come on home
So pardon all the cheesy
Wigger pimp is feelin' crazy
Daisy Dukes' my kryptonite, Im fondelin'
My pimpin' hand gone limp an'
I'm a trippin' plain and simple
All the po po's, wolves and dogs are closin' in
Where all my honey gone?
Pooh-bear be cryin'
Some Oreo cracker song
Wigger be tryin' to get his queen to come on home
Now I know I ain't no player
Heavy hitter, roller, spitter
Those legit can go ahead and get along
I ain't no cracka' quitta'
Gonna do my best to get her back to
Daddy, honey bring your sweet ass home
Where all my honey gone?
Pooh-bear be cryin'
Some Oreo cracker song
Wigger be tryin' to get his queen to come on home
Where all my honey gone?
Pooh-bear be cryin'
Some Oreo cracker song
Wigger be tryin' to get his queen to come on home
Where all my honey gone?
Pooh-bear be cryin'
Some Oreo cracker song
Wigger be tryin' to get his queen to come on home
