

# Happily Never After

Pussycat Dolls

I don't think I want this anymore  
As she drops the ring to the floor  
She says to herself you've left before  
This time you will stay gone that's for sure

And he shouted something as  
She dragged her suitcase down the path  
To the driveway  
She had never gone that far

Normally this would be the time that she  
Let him talk her out of leaving  
But this time without crying  
As she got into her car, she said

No, happily never after  
That just ain't for me because finally  
I know I deserve better after all  
I'll never let another teardrop fall

As she drove away she starts to smile  
Realized she hadn't for a while  
No destination, she drove for miles  
Wondering why she stayed in such denial

Laughing about the way he shouted something as  
She dragged her suitcase down the path  
To the driveway  
She had never gone that far

Normally this would be the time that she  
Let him talk her out of leaving  
But this time without crying  
As she got into her car, she said

No, happily never after  
That just ain't for me because finally  
I know I deserve better after all  
I'll never let another teardrop fall

I'm done, I'm done, said, I'm so done  
So done, I'm so done  
I'm free, I'm free, said, I'm so free  
I'm so free, I'm so free

She inhaled an air she'd never breathed before  
The air of no drama no more 'cause she said

No, happily never after  
That just ain't for me because finally  
I know I deserve better after all  
I'll never let another teardrop fall

No, happily never after  
That just ain't for me because finally  
I know I deserve better after all  
I'll never let another teardrop fall

Another teardrop fall  
I'll never let, no, I'll never let  
No, I'll never let another teardrop fall
