

# Find Another Fool

Quarterflash

I should have learned this lesson long ago  
That friends and lovers always come and go  
And now you claim that everything's O.K.  
But I've got just one thing to say

Why don't you  
Find another (find another)  
Find another fool to love you  
Find another (find another)  
Find another fool to love you  
Find another, find another  
Find another fool to love you  
To love you  
Find another

I don't believe that I deserve this ride  
You took me for my very heart and pride  
You let me down and now your hand is out  
Well, here's some spare change you can count

Why don't you  
Find another (find another)  
Find another fool to love you  
Find another (find another)  
Find another fool to love you  
Find another, find another  
Find another fool to love you  
To love you  
Find another

You pulled this once, you pulled it twice  
It's time you listened to my advice  
Oh, baby

I'd never take advantage of our love  
I can't imagine what you're thinkin' of  
You're overdue, you think this storm is through  
Well, baby, I've got news for you

Why don't you  
Find another (find another)  
Find another fool to love you  
Find another (find another)  
Find another fool to love you  
Find another (find another)  
Find another fool to love you  
Find another, find another  
Find another fool to love you  
To love you  
Find another
