I'm an old Baboon, you're a Barbary ape
I'm an old Baboon, you're a Barbary ape:
Two different creatures with a similar shape.
With a bullet to the head or a razor to the vein
With a bullet to the head or a needle to the vein
You leave this world behind, all your people in pain.
You searched and you searched but no answer could be found.

Better luck next time; you'll be coming back around.
And you leave your love behind...
