

## Nothing, Nowhere

Quasi

Drifting wide, from nothing into nowhere  
Inside, someone's dream is admired,  
the cardboard panorama  
In an empty void  
Stars and diamonds shining in an endless sky  
Close your eyes,  
See how clear the darkness is  
This time, we shake hands and we smile  
Preceeding back to where we came from  
Before the war  
Nothing, Nowhere  
Meaningless and beautiful
