

The Clown (episode C)

Quasimoto

If I could I'd buy records everyday of the week
But then I would have no money for when I'm with my freak

Fuckin with these records I ain't never going to sleep
But that's how it is when you're into this shit

Want this

Paying 60 dollars for a simple drum lick

What about your beat

Spending 2 hours looking for a certain kick
Man
I ain't about to buy a beat man
I can't even find a disk man to sell it
Man, what the fuck

I make beats everyday of the week
I used to listen to the "Sound of the Zeekers"
Rock and Roll
Now I'm over here on smashing your speakers
Boss 303
MP 1200
MPC 4000
Do my loop dumping
Numbing

You know how it goes
Really, really y'all know how it goes
Music taking over your body
Beat taking over your soul
I be passing up parties, quit parties
But never passing a bowl
Pass me that weed
Psychedelic record covers
Jazz standards
Funk soul
That's a choir
Eletronic patterns
It's the raw addict
My A is tape comfort over ill record static
Oh, oh, oh addict
Ya'll better scram like I'm Broadway Sam
Well I say

Damn

Don't curse me, that's gods way man
The ill loop digga
Catch me in your record place
Let a nigga dig
Give a pound
Respect the bass
