

In the Kitchen

R. Kelly

Girl you're in the kitchen, cookin' me a meal
Somethin' makes me wanna come in there and get a feel
Walk around in your t-shirt with nothin' else on
Struttin' pass, switchin' that ass while I'm on the phone
Cuttin' up tomatoes, fruits and vegetables and potatoes
Girl, you look so sexy while you're doin' the damn thing
I want sex in the kitchen over by the stove
I want put you on the counter by the buttered rolls
Hands on the table, on your tippy toes
We'll be makin' love like the restaurant was closed
Would you like that?
Tell me right now pretty, babe
Girl, you're in the kitchen, chillin' in your robe
I'm sayin' to myself, she better go, put on some clothes
Ticklin' and teasin', doin' that little dance
Girl, you gon' make me lay you down and give it to you one mo 'gain
Cuttin' up tomatoes, fruits and vegetables and potatoes
Girl, you look so sexy while you're doin' the damn thing that
I want sex in the kitchen over by the stove
I want put you on the counter by the buttered rolls
Hands on the table, on your tippy toes
We'll be makin' love like the restaurant was closed
Sex in the kitchen over by the stove
I want put you on the counter by the buttered rolls
Hands on the table, on your tippy toes
We'll be makin' love like the restaurant was closed
This is what I am ready to do
Girl, I'm ready to
While I'm makin' love, girl, I'll be feastin'
Girl, you're in the kitchen, sweatin' up a storm
The oven's on 500, so you know the kitchen's warm
Girl, you know just how to get into a brother's mind
'Cause here we are still in this kitchen doin' it for the third time
Cuttin' up tomatoes, fruits and vegetables and potatoes
Girl, you look so sexy doing the damn thing that
I want sex in the kitchen over by the stove
Put you on the counter by the buttered rolls
Hands on the table, on your tippy toes
We'll be makin' love like the restaurant was closed
Sex in the kitchen over by the stove
Put you on the counter by the buttered rolls
Hands on the table, on your tippy toes
We'll be makin' love like the restaurant was closed
Sex in the kitchen over by the stove
Put you on the counter by the buttered rolls
Hands on the table, on your tippy toes
We'll be makin' love like the restaurant was closed
