The Imperatives

Rainer Maria

When we can't begin unless it's with an argument we're losing out on love for the sake of it

I was thinking we can go and live in a monastery throw away the imperatives make our pockets empty

'Cause I'm feeling bankrupt and I'm losing speed and I don't want to hold on to anything

When I misbehaved to get what I wanted was that wrong when what I wanted was love and affection

Let's get out let's get out let's get out let's get out

I was thinking we can go and live in a monastery
