

# Let's Burn Down the Cornfield

**Randy Newman**

Let's burn down the cornfield  
Let's burn down the cornfield  
And we can listen to it burn

You hide behind the oak tree  
You hide behind the oak tree  
Stay out of danger 'til I return

Oh, it's so good, on a cold night  
To have a fire burnin' warm and bright

You hide behind the oak tree  
You hide behind the oak tree  
Stay out of danger 'til I return

Let's burn down the cornfield  
Let's burn down the cornfield  
And I'll make love to you while it's burning

And I'll make love to you while it's burning
