

# Fairytale

Rebecca Ferguson

Ok so I call about a thousand times  
I wait outside and I join the line  
With a million girls that are just like me ooh

I got you're name saved on my screen  
It says how much that you love me  
And I know that it's not a dream

Aahhhaa ooohh yeaaahh  
Ahhhaa oooh yeaaahhh

It's like I keep on giving with nothing in return  
Just a constant burning  
I'll never learn  
But let me just fairytale that we are in love  
I'd rather live a life this way

Ahhhaa oooh yeaaahhh

Oh it's my life anyway

I close my eyes and you kiss me  
Say how much that you miss me  
And no one compares to what we got

Then I wake up and it's just a dream  
Some how I wish it was reality  
Trying to deal with the fact it's not

Aahhhaa ooohh yeaaahh

It's like I keep on giving with nothing in return  
Just a constant burning  
I'll never learn  
But let me just fairytale that we are in love  
I'd rather live a life this way
