

She Will Be Loved

Reece Mastin

Beauty queen of only 18 she, has some troubles with herself
You were always there to help her she, always belonged to someone else

I drove for miles and miles and wound up at your door
I had you so many times but somehow I want more

And I don't mind spendin' every day
Out on your corner in the pourin' rain
Look for the girl with the broken smile
And ask her if she wants to stay a while

And she will be loved
And she will be loved

Tap on my window, knock on my door I, wanna make you feel beautiful
I know I tend to get so insecure, doesn't matter anymore
It's not always rainbows and butterflies, it's compromise that moves us along
My heart is broken, my door's always open, you can come anytime you want

And I don't mind spendin' every day
Out on your corner in the pourin' rain
Look for the girl with the broken smile
And ask her if she wants to stay a while

And she will be loved
And she will be loved
And she will be loved
And she will be loved

I know where you hide, alone in your car
Know all of the things that make you who you are
I know that goodbye means nothin' at all
Come back and beg me to catch her every time she falls, every time she falls

Tap on my window and knock on my door I, wanna make you feel beautiful

I don't mind spendin' every day
Out on your corner in the pourin' rain
Look for the girl with the broken smile
And ask her if she wants to stay a while

And she will be loved
And she will be loved
And she will be loved
And she will be loved
