Why do I feel so claustrophobic? My heart jumping like I done did aerobics Three days past and I barely notice Ice Ice Baby just can't control it Hold it I don't think I've eaten either Alcohol is gonna kill my liver I'm scared to death how did I meth Up my life and short of breath Bad checks they bounce drain my account Listen to the voice in my head announce "Man quit this shit" Feeling down and out Tired but I'm wired got fired about A week ago punched the boss in the mouth But I wasn't wrong I just wanna belong And I gotta a pain in one of my lungs Man what have done? Still up at the dawn

I've meth'd up royally
I'm the King of Tweakers and I'm sinking deeper
Ive meth'd up everything
I'm the King of Tweakers such an evil creature

Monkey on my back done become King Kong Stopped at the pawn shop my ring's gone Such a disappointment to mom and dad My Skin itches crabs grabbing at my nads I done become what I'd be laughing at back When I was sober with a stack of cash Take off the edge with bag of grass Walk by the mirror look at the jackass What did I miss sick of this abyss Diagnosis terminal emptiness Gritting my teeth and clinch my fists Hard to love anything when you stay pissed At yourself and your health deteriorates Cause your face stays down on mirrors and plates If I let a tear drop I get hysterical I'm praying begging for a miracle

I've meth'd up royally
I'm the King of Tweakers and I'm sinking deeper
Ive meth'd up everything
I'm the King of Tweakers such an evil creature
I've meth'd up royally
I'm the King of Tweakers and I'm sinking deeper
Ive meth'd up everything
I'm the King of Tweakers such an evil creature

I really don't like this anymore
Why did it have to happen to Danny for?
I did it to myself I can't ignore
I'm beating myself up like a dirty whore
Help me I can't take it anymore
Thank God... I hocked my 44
Lordy Lordy my nervousness is vicious
Is this a sign? Is that was this is?

I've meth'd up royally
I'm the King of Tweakers and I'm sinking deeper
Ive meth'd up everything
I'm the King of Tweakers such an evil creature
I've meth'd up royally
I'm the King of Tweakers and I'm sinking deeper
Ive meth'd up everything
I'm the King of Tweakers such an evil creature
