Today, moving downwards
Through my finger, fades tomorrow

But wait for me 'cause lines are forming
And words get clearer now
I'll borrow them from you
'Cause it's all I can do, yeah, yeah

Today, they shine like Jesus
And light of millions face our sorrows

But wait the lines are forming
And words get clearer now
I'll borrow them from you
'Cause it's all I can do

Cracked, charred, charred
You can't communicate
Dumb, dumb, dumb
Dumb, dumb, dumb

Cracked, charred, charred
You can't communicate
Dumb, dumb, dumb
Dumb, dumb, dumb

Stop mumbling
Wasted art, wasted art
