Richard Marx

Have you heard the news? I'm doing what I said I would So now you say Boy, I always knew you could My Wildest dreams Murdered by reality I gave all I could give you But now I'm taking back what belongs to me I read you like a drugstore book How'd I ever think you were cool You got no bait left on you hook You're no friend, and buddy, I'm no fool

Ain't nothin' you can do about it Ain't nothin' you can say Ain't nothin' you can do about it No one's gonna stand in my way

I've done my time I've given up my pound of flesh So why can't the man seem to understand That I've already passed the test You did your best to keep me down Tried to make my spirit give in But I'm here to make a big, big sound It's your time to lose and it's my time to win

Ain't nothin' you can do about it Ain't nothin' you can say Ain't nothin' you can do about it No one's gonna stand in my way

I know you can never go back Once you turn and walk out that door Got no time for worries like that I'm not a kid anymore

You did your best to keep me down Tried to make my spirit give in But I'm here to make a big, big sound It's your time to lose and it's my time to win

Ain't nothin' you can do about it Ain't nothin' you can say Ain't nothin' you can do about it No one's gonna stand in my way
