

This I Promise You

Richard Marx

Ohh ohh

When the visions around you,
Bring tears to your eyes
And all that surround you,
Are secrets and lies
I'll be your strength,
I'll give you hope
Keeping your faith when it's gone
The one you should call,
Who's standing here all alone

And I will take
You in my arms
And hold you right where you belong
Till the day my life is through
This I promise you
This I promise you

I've loved you forever,
In lifetimes before
And I promise you never
Will you hurt anymore
I give you my word
I give you my heart (give you my heart)
This is a battle we've won
And with this vow,
Forever has now begun

Just close your eyes (close your eyes)
Each loving day (each loving day)
I know this feeling won't go away (no)
Till the day my life is through
This I promise you.
This I promise you.

Over and over I fall (over and over I fall)
When I hear you call
Without you in my life baby
I just wouldn't be living at all...

And I will take I will take you in my arms
You in my arms
And hold you right where you belong (right where you belong)
Till the day my life is through
This I promise you baby

Just close your eyes
Each loving day each loving day
I know this feeling won't go away no
Every word I say is true
This I promise you

Every word I say is true
This I promise you
Ooh, I promise you
