## To Where You Are

## **Richard Marx**

Who can say for certain Maybe you're still here I feel you all around me Your memory, so clear

Deep in the stillness
I can hear you speak
You're still an inspiration
Can it be

That you are my forever love
And you are watching over me from up above

Fly me up to where you are
Beyond the distant star
I wish upon tonight
To see you smile
If only for awhile to know you're there
A breath away not far
To where you are

Are you gently sleeping Here inside my dream And isn't faith believing All power can't be seen

As my heart holds you Just one beat away I cherish all you gave me everyday

Cause you are my forever love
Watching me from up above
And I believe
That angels breathe
And that love will live on and never leave

Fly me up
To where you are
Beyond the distant star
I wish upon tonight
To see you smile
If only for awhile
To know you're there
A breath away not far
To where you are
