

The Time Warp

Richard O'Brien

It's astounding;
Time is fleeting;
Madness takes it's toll.
But listen closely

Not for very much longer.

I've got to keep control.
I remember doing the time-warp
Drinking the moments when
The Blackness would hit me
And the void would be calling

Let's do the time-warp again.
Let's do the time-warp again.

It's just a jump to the left.

And then a step to the right.
Narrator:
With your hands on your hips.

You bring your knees in tight.
But it's the pelvic thrust
That really drives you insane.
Let's do the time-warp again.
Let's do the time-warp again.

It's so dreamy, oh fantasy free me.
So you can't see me, no, not at all.
In another dimension, with voyeuristic intention,
Well-secluded, I see all.

With a bit of a mind flip

You're into the time slip.

And nothing can ever be the same.

You're spaced out of sensation.

Like you're under sedation.

Let's do the time-warp again.
Let's do the time-warp again.

Well I was walking down the street just a-having a think
When a snake of a guy give me an evil wink.
He shook-a me up, he took me by surprise.
He had a pickup truck, and the devil's eyes.
He starred at me and I felt a change.
Time meant nothing, never would again.

Let's do the time-warp again.
Let's do the time-warp again.

It's just a jump to the left.

And then a step to the right.

With your hands on your hips.

You bring your knees in tight.

But it's the pelvic thrust

That really drives you insane.

Let's do the time-warp again.

Let's do the time-warp again.
