The Time Warp

Richard O'Brien

It's astounding; Time is fleeting; Madness takes it's toll. But listen closely Not for very much longer. I've got to keep control. I remember doing the time-warp Drinking the moments when The Blackness would hit me And the void would be calling Let's do the time-warp again. Let's do the time-warp again. It's just a jump to the left. An then a step to the right. Narrator: With your hands on your hips. You bring your knees in tight. But it's the pelvic thrust That really drives you insane. Let's do the time-warp again. Let's do the time-warp again. It's so dreamy, oh fantasy free me. So you can't see me, no, not at all. In another dimension, with voyeuristic intention, Well-secluded, I see all. With a bit of a mind flip You're into the time slip. And nothing can ever be the same. You're spaced out of sensation. Like you're under sedation. Let's do the time-warp again. Let's do the time-warp again. Well I was walking down the street just a-having a think When a snake of a guy give me an evil wink. He shook-a me up, he took me by surprise. He had a pickup truck, and the devil's eyes. He starred at me and I felt a change. Time meant nothing, never would again.

Let's do the time-warp again. Let's do the time-warp again.

It's just a jump to the left.

And then a step to the right.

With your hands on your hips.

You bring your knees in tight. But it's the pelvic thrust That really drives you insane. Let's do the time-warp again. Let's do the time-warp again.
