I'm confessing that I love you Tell me, do you love me too?
I'm confessing that I need you Honest I do.

Need you every moment.

In your eyes I read sush strange things But your lips denie they're true Will your answers really change things Making me blue.

I'm afraid someday you leave me Saying $\tilde{A}, \tilde{A}^{\, \, \, \, }$ can't we still be friends $\tilde{A}, \tilde{A}^{\, \, \, }$ If you go you know you'll grieve me All in life on you depends.

Am I guessing that you love me Dreaming dreams of you in vain I'm confessing that I love you Over again.
