

In Yo Girls Car

Riff Raff

In your girl (3x)
In your girl car (6x)

Uh, how how ya.
How ya gonna hypnotize fame?
Five star face with the Wonder Woman chain.
Chains super stupid,
Jumps out like cupid,
I can I can candy Buick with the powersteering fluid.

Mind Rubik's cube,
Cool cub for my conscience,
Her ass must be from Seattle,
Cause it's Supersonic.

It's a - thin line,
Between love and hate.
Diamonds in your face,
Tatted back to Florida State.
